Dear all,

### **Re: ITF Young Seniors / Seniors / Super-Seniors World Championships Date Changes**

I am writing to let you know that from 2016 onwards, the dates of the above World Championships dates will change slightly.

Up to and including 2015, the Team Championships have always been held on a Monday-Saturday basis, and the Individual Championships from Sunday-Sunday. From 2016 onwards, this will change so the Team Championships will be held from Sunday-Friday and the Individual Championships from Saturday-Saturday. This change has been made in response to feedback over several years that players find it difficult to remain on site until the end of Sunday of the Individual Championships, due to work or family commitments. It is hoped that moving both events forward one day will make it easier for players to be on site for the full duration of the competition.

The previously published dates of the 2016 Championships will therefore change. The new dates are as follows:

Young Seniors World Team Championships (Umag, Croatia): 1-6 May  
Young Seniors World Individual Championships (Umag, Croatia): 7-14 May  
Seniors World Team Championships (Helsinki, Finland): 19-24 June  
Seniors World Individual Championships (Helsinki, Finland): 25 June-2 July  
Super-Seniors World Team Championships (Antalya, Turkey): 23-28 October (TBC)  
Super-Seniors World Individual Championships (Antalya, Turkey): 29 October-5 November (TBC)

I remain at your disposal for any further information you may require.

Yours sincerely,
